

 **Jesus Is Risen!!!** 

*"..... But one thing I do: forgetting what lies behind and straining forward to what lies ahead,
14 I press on toward the goal for the prize of the upward call of God in Christ Jesus."
(Philippians 3:13b-14)*

Dear family and friends,

April 2017

I greet you with peace in the love of our Savior, Jesus Christ who lives and works in us!

We started DTS (Discipleship Training School) on April 6th. In the meantime we sought the Lord's guidance in worship and prayer, as God led us we began the Discipleship Training School. There are 14 students who sent by the Lord, who have experienced many hurts and pains in their lives and they are from many different places to learn more about the Lord and to be trained to become the disciples of the Lord. We, all of our staff, are praying that the students, whom the Lord has sent for DTS, we will serve them with the love of God and that our students will meet the Lord in a new way, get healed, be transformed and live their lives as true disciples of the Lord. And we are praying that all of our staff will be able to serve students and at the same time to learn and be trained as a student.

This training includes 12 weeks of worship, lecture, and live together in a community, and serve each other and learn from one another. A 12-week Lecture Phase provides students with various learning opportunities through lectures, local evangelism, worship and intercession, servant ministry, small group meetings, one-on-one, and writing essays. Throughout this period, students will listen to the Truth and see the Truth set them free. Renowned speakers from inside and outside of the US will encourage and lead students to a journey throughout which they will know God in a deeper, personal level.

Lectures will include: – Worship – Intimacy through abiding in God's word and obeying His will – Knowing God's heart – Walking with Jesus in our daily life – Identity and the Father's love – The ministry of the Holy Spirit – Missions and evangelism, and understanding our targeted nations – Intercession and spiritual warfare, etc.

After 12 weeks of Lecture, the student will have 8-week Outreach Phase which gives students opportunities to make God known in various parts of the world. During this time, we will be working hand in hand with local Christians to spread the fire of the Gospel. They will be

 **Jesus Is Risen!!!** 

putting to practice all that they have learned. Please pray for us so that during the DTS period (lecture and the outreach), all students and staff to be united as a family and to learn well before the Lord and to live as disciples of Jesus Christ.

As for me, I still have dizziness and difficult times with it, yet I pray with thankful heart and believe that the Lord will completely heal me. As Philippians 3:13-14 says, I pray to forgetting the past hurts and difficulties and straining toward what is ahead and I press on toward the prize for which God has called me heavenward in Christ Jesus. I know that God has brought me here and I pray that to be loyal to little things and want to lift up and glorify His name. Please pray for me to be sensitive to the leading of the Holy Spirit, deep rooted in God's Word, and the rest of my life will be filled with the Lord and live in His will.

I thank you for your faithful prayers and support in the love of God and I covet your prayers!

May God bless you richly with His heavenly blessings!

In His Love
