

Greetings in the name of our Lord Jesus Christ.

I hope you and your family are doing well. I have been very busy teaching Deaf students in Bogota, Colombia all day long. I'm grateful that the students are so passionate about learning God's words. I'm planning to have a retreat for them so please pray for the preparation and also pray for the students so that they may know God deeper and deeper everyday.

The good news is that we finally found a place on a lease for the seminary. We no longer need to move around and we also can use the space any time we want! Praise the Lord who provides.

I have one more prayer request. From time to time, I will have to travel outside of Bogota area to reach out Deaf people who never receive God's words in their own language. There are no Deaf churches outside of Bogota and I feel a strong desire for the Gospel from these people. But the transportation becomes a barrier. Having a car will help a lot. It also can be used to give rides to night class students. Please pray for this issue.

My students and I are truly thankful for your support and we will continue to pray for you, your family and your ministry.

God bless you.

In His Love,

Jung
