

Dear Family and Friends

April, 2018

We began the year 2018 with continual worship and prayer for 144 hours (24x6) from January 4th through January 10th. It was wonderful way to begin the year 2018. Our prayer topic was Revival Seattle (for Churches and people in Seattle) and for the next generation. During this time of worship and prayer, God was so faithful to lead our prayers and sent several young worship team to lead the worship. It was so amazing to see how God orchestrate the 144 hours of worship and prayer time. We had young generation join us to worship and pray and they were so dedicated to the Lord to seek His Kingdom and prayed with us for Revival Seattle. This time we had only English but in August we'll have bilingual (Korean and English) 144 hours of worship and prayer time. We are praying to see more churches and the people will join us for 144 hours of worship and prayer time.

Pneuma Springs DTS 2018 have begun with the theme of **Life, Restoration and Revival** in March 1st. We have 12 students and 5 children from Korea, China, California and Washington States and we are in 5th weeks of lecture phase. We all have great expectation from God for each of us and excited what God will do in us during 12 weeks of lecture phase. I still remember what God did to us during the DTS 2017 and it was absolutely His grace and mercy to meet all our needs (mental, emotional, spiritual, financial, etc), healed and set us free from all the hurts from the past and filled us with His Spirit and gave us renewed hope and new vision. Please pray with us during lecture phase so that God would do greater things in us and all of us could encounter God in a very special way and for 8 weeks of outreach after 12 weeks of lecture phase.

I received a phone call from Korea in mid-January and they informed me that my oldest sister was admitted to ICU in hospital. I was debating whether should I go to Korea or not. I didn't want to regret to not go to see her before something happen and yet, I hesitated to face another sibling's death cause I already lost two brothers in two and half years ago. I just came out of grief over my two brother's death and I didn't want to face another one. My sister was in hospital over a month and she went to be with the Lord very peacefully. "Thank you for coming to see me!" This was her last word to me. Even though it wasn't easy to face my sister's death but I know where she is now where there is no pains and heart aches....!

As I mentioned in my last newsletter, I have a year left with my current visa status (Religious Work's visa). I am seeking God for future direction. Please pray for/with me for the next step.

Thank you so much for all your prayers and financial support!

Many Blessings!!!
