

TO GOD BE THE GLORY!

Wonderful Welcome on Chuuk and Nauru!

Our trip was scheduled in faithful obedience. Little did we know what our Heavenly Father was about to do for His glory alone. With open arms and the right hand of Christian fellowship Logan Memorial Church pastors (left above) on Chuuk accepted us and requested us to return in the future to offer bible classes and youth outreach services. Several are interested in attending the September 2019 Island Pastors Conference. Please pray the Lord will provide the necessary funding.

After 3 months of waiting for our visa to Nauru, the Lord delayed our flight from Brisbane by 11 hours so our visa could be approved. Two hours before check-in we had the visa in hand. Special thanks to Moses Dame and Myrienne Harris. Once upon Nauru we were asked to pour ourselves out to refresh the saints. We conducted 15 services over a 9-day period from Palm Sunday (right side) through Easter Morning. So thankful for the beautiful worship (right above) and the generous hearts of Nauru Independent Church. Through their generous gift the rental cost of Kokokahi YWCA is paid in full. CHRIST IS RISEN INDEED!

We ask you to prayerfully support Beyond the Reef as we prepare for the Northwest Campmeeting with your prayers and finances.
