KIM FAMILY IN COSTA RICA

LIFE IN COSTA RICA

APRIL TO JULY 2019

THANK YOU FOR ALL YOUR PRAYERS

To all our prayer partners and supporters in Christ! Thank you and without your prayers and missions giving we would not be able to do what we do for the kingdom of God. Always remember that you are a sending missionary to the Dominican Republic! We have been studying Spanish and the culture here at Costa Rica, and we have also connected with ChildHope School Tori Malians Piedad. We helped organized services to impact the children for Christ with teaching the Word of God, games, and worship. We have also in the following week, taught Tae Kwon Do and blessed them. We had an exciting couple of months learning the culture and language here in Cost Rica. There are many other schools like this school that needs your prayers, please keep the children in your prayers that God would raise up the next generation to impact Costa Rica and around all Latin America areas.

THE READINESS OF HEART

The readiness of the heart of the people in Costa Rica is amazingly ready for the harvest! When you visit and experience the readiness of the people you will go back to the truth where Jesus spoke the word "the harvest is plentiful but the workers are few." Matt 9:37

THATS WHY WE ARE SENT!

We love what we do for the kingdom of God! Used for his purpose and for His mission, so that all can hear the good news of the Gospel! We need your prayers continually for it is a battle field here and everywhere where the truth of the Word of God is being proclaimed. We have a network of missionaries that we work with here in Cincel to go where God leads us to minister. We continually need your prayers and missions giving that will continue the work of God here and in the Dominican Republic. We want to take a moment and thank you all for your prayers and missions giving, and being a faithful sending missionary. We love you all and miss you all but the work of God must continue.
