La Familia

I had an awesome time in Spanish Chapel preaching for the first time in Spanish. It wasn't perfect but had a great time sharing the gospel in Spanish. Now I can say that I have preached in English, Korean and now in Spanish as well. God is faithful and so good. All glory to God for He is the one who enables people like me to do extraordinary things for His sake. Never in my mind thought I would learn Spanish but here I am in the will of God. If God can do this with me He can make and change anything in anyone's life. Glory to God! God is so God!
