

About T 국,

We thank so much for your support of God's Great Harvest among the refugees. Despite the separation in our team in 2019, the anointing of the Holy Spirit still overflowed in our ministry. We give glory and thanks to God. Iran is still in an unstable state, but God is doing tremendous work in Iran and will finally use Iranian Christians to transform Muslims, Afghani as well. There has been a Christian revival among Muslim refugees that has never happened before in our world history.

- (3) Pray for the churches of the established refugees to further grow and grow into churches with a vision of mission.
- (4) Pray for refugees to live a stable life quickly.
- (5) Pray for more workers in God's great harvest.
