

Dear Missionary Cousin,

MINISTRY CONTINUES TO HAPPEN FOR THE GLORY OF GOD!

YES! Even though the governing powers are placing restrictions on our physical ability to meet and move about in our communities, the Holy Spirit continues His work in the hearts and minds of God's people. This newsletter is dedicated to the glory of God for what He has done and is doing for "His Kingdom to come, and His will to be done on earth as it is in heaven."

We appreciate your continued prayers and financial support as we seek to walk in obedience to His calling, commission, and continued opportunities to minister the various island communities on the Mainland and around the Pacific Rim.

Pacific Light House Celebrates 1st Anniversary

Pacific Light House formerly known as the Nauru Independent Christian Church celebrated their first anniversary under their new name in September. Under the pastoral leadership of Sister Gay Hiram (Founding pastor Labi Harris' daughter) the congregation celebrated for three days the goodness and faithfulness of Jesus Christ. Lynette and I were not able to attend this special occasion due to COVID travel restrictions. Yet, the church rejoiced over their recognition by the Nauru government as a legitimate congregation on Nauru. Praise the Lord!!!

Beyond the Reef in Idaho

Chuukese Community Church in Twin Falls, ID invited us to come and minister to them. Over the weekend of September 19-20, Lynette, myself, and Rick Lebrun (left of me on the steps) had the privilege to provide a day-long bible training class. On Sunday, we were able to worship with this beautiful congregation. A special "kinisou" to Pastor Peterson Walter and Deacon Hutson Thomas for the rich welcome.

DENVER LIGHTHOUSE

Our itinerary through the mainland allowed us to worship with Pastor Alfred Francisco and our wonderful island family at Denver Lighthouse. The Spirit of the Lord was present as His people gathered to worship Him in Spirit and in truth.

Even when it is cold outside there is always time to take a picture. I am pictured here with Pastor Alfred (in front of me in the dark suit) and the ministers of Denver Lighthouse. After the fellowship meal they gathered the leftovers and shared them with those living in the neighborhood. A true expression of God's hospitality.

The Ministry House

Sunday nights find the Ministry House serving as a place for worship and fellowship. Yes, part of honoring the Lord with this property is opening the doors every Sunday night for a gathering of young people. We are so blessed to be in His Presence with them. Please keep them in your prayers.

From Our Ohana to Yours

MELE KALIKIMAKA! From a small island in the Pacific we wish you and your loved ones a Merry Christmas. May you have time to be with family and worship Jesus Christ, Emmanuel, God with us!

We are so blessed by your faithfulness in supporting Beyond the Reef through your prayers and finances. May the Lord bless and keep you and give you His peace.
