WE WANT TO TAKE A MOMENT TO THANK YOU FOR ALL YOUR PRAYERS AND MISSIONS GIVING. WITHOUT YOUR PRAYERS WE WOULD NOT BE ABLE TO DO WHAT GOD HAS CALLED US TO DO, IMPACTING THE NEXT GENERATION FOR CHRIST AND DEVELOPING LEADER FOR TOMORROW.

SANTIAGO UNIVERSITY LEADERS

UNIVERSITY LEADERS SERVICE

THIS IS OUR SANTIAGO TEAM

Honored to serve alongside national Pastors to impact universities and the Church ministry for Christ.

UNIVERSITY PRAYER MEETING

Every month we have a united prayer meeting for the University ministry. Growing to lead students to follow Christ.

NATIONAL CHURCH PREACHING

HONORED TO PREACH AT THE NATIONAL CHURCH

It's always an honor to preach the gospel and be part of the national local Church. Partnering to make disciples of Christ.

REGIONAL YOUTH GATHERING

HONORED TO PREACH IN REGIONAL YOUTH GATHERING

One of my passion is to awaken the next generation for Christ. Equipping them to be passionate for Christ and His mission.

COMPASSION MINISTRY

COMPASSION

We are able to provide the necessary food for families and show the love of Christ. Our hearts are filled with the joy and smiles we receive from the children. Many people have come from neighboring villages to hear the Gospel and give their lives to Jesus.

MOUNTAIN TOP MINISTRY

PRAISING GOD IN THE EVENING

We had a powerful time ministering to the youth and older generations in the mountaintop villages. A physical church is not needed for God to move in powerful ways.

1. We were blessed to work alongside the National Pastor and experience the hand of God as we prayed for the sick kids. It is a blessing to share the love of Jesus Christ with them.

A YEAR AT A GLANCE

Through God's provision, your partnerships and prayers, we are able to reach, preach, and teach the love of Christ in the Dominican Republic. We are ministering to university students and creating Discipleship programs within the schools. We have partnered with the local National Church to reach areas and villages with the highest need. This year we have been preaching, teaching and mobilizing through compassion ministries. As the Pandemic continues to impact the country, it is your prayers and partnership that allows us to continue God's work in these communities.

This year my wife, Hyun Ju was diagnosed with Thyroid Cancer and cerebral aneurysms were also found. We are grateful that her Thyroid surgery was successful and she is doing very well. As far as the aneurysms that were found, doctors have confirmed that they will continue to monitor them annually but no surgery is needed at this time. We have seen how God is always with us and how His miracles are everyday and in every situation. What a true honor and blessing it is to be exactly where God has planned for our family. Every day and every step is ordained by the Lord and we thank all of you for your prayers.
