Praise the Lord for overcoming the corona situation!

With the grace of God and the Holy Spirit, We have been conducted and carried out the Military Mission Activities more dynamically than before Corona through IT systems.

The goal of our military mission is to contribute for the accomplishment of the **Great Commission of Jesus Christ in Matthew chapter 28 verses 18~19** by supporting and cooperating with AMCF (Association Military Christian Fellowship) in pursuing the establishment and development of MCF (Military Christian Fellowship) in every nation.

In Jesus Christ, Dear Family and Friends,

May God to be glorified by the all of military missionary !

I, ROK/US military missionary want to share to 4 kinds of mission area as the ROK/US Religious support liaison officer for UN/CFC/USFK Command chaplain office and KATUSA Mission service, the Secretary General for MSO of the AMCF (Mission Support Organization for Association Military Christian Fellowship) and Director of Military Mission Support Association for PCK. I want to report focusing on the secretary general of the MSO activities and briefly share other activities.

First: [MSO \(mission support organization\) activities for AMCF \(association military Christian fellowship\).](#)

The mission of MSO is to contribute to bringing the Gospel message to the military men and women for every nation by supporting the AMCF activities and by cooperating with related missionary organizations. **MSO used to conduct the MEO program and FMC-K program to achieve the MSO goal.**

- **MEO Program stand for the Military Evangelism Observation(MEO) Program** designed for inviting non-MCF countries' military Christians to Korea for observing the military ministry activities in Korea and providing practical military laymen ministry tools such as the Inductive Bible Study, Conversational Prayer and Military ethics leadership. Since 2005, we have invited some 15 delegates from more than 10 countries each year. The purpose of this program is to provide Korea's experience and motivation for military evangelism. And MSO support them to meet their military ministry needs as they work for the establishment and reinforcement of MCF. **More detailed information click to MSO homepage (www.mso.or.kr)**

2022 MEO (military evangelism observation) program was conducted by MSO from 20 Jun to 27 Jun 2022. 16 members out of 12 countries were participated.
