

D.R. Missions Report

COPASSION - EDUCATION - MOBILAZATION

Pandemic into Opportunity

While the Churches and the communities in the Dominican Republic is being shut down. God opens the door for compassion ministry all across the Dominican Republic Island. Praise be to God, when the country is shutting down the work of God to reach, preach the gospel continues powerfully. Where every there is a need in a community the churches reached out with the promise of God's word and the Gospel was preached and the love of God extended through the means of compassion. Out. Countless of over 8000 packages with the Gospel and love of Christ have been shared all over Dominican Republic. Thank you for all your prayers and missions giving that made a difference in expanding the kingdom of God in the Dominican Republic. God is able to do all thing and all things are possible, when God opens the door the world cannot shutout. Pandemic was a blessing and an opportunity for us to impact the city for Jesus Christ. All this was possible because of the grace of God, prayers and missions giving.

Education: Equipping the next Generation

Through the prayers of local pastors and leaders we were able to answer the direction of the Holy Spirit moving into the University community in Santiago Dominican Republic. The Church leaders aloud us to impact the university students and lunched Uconexcion Which in the U.S Chi Alpha ministry in the Universities. We are targeting six universities in Santiago D.R. Praying and equipping them to be leaders on the campus in Santiago. The University students are the future leaders of Dominican Republic. And where most students are able to speak English and Spanish which is leading us to pray for the International Church Planting in Santiago. Our pastors and leaders have been working diligently to continue the leadership of the university students in Santiago. Please continue to pray for the move of the Holy Spirit to equip the next generation for Christ. This is our primary ministry focus with International Church planting. Please continue to pray for the students of the university to be reached.

National Church Community Connection

It is always a blessing to blessing the Church and the community with the love of Christ. We intensionally prayed for God to move mightily in the Tamboril community and what a impact for Christ it has been. The Church people were blessed to see God move powerfully in the community and people. Many did not know Jesus came to the Lord and also the Church is being recognized by the community and is expanding the Kingdom of God in Tamboril Santiago D.R. God has been gracious and we were able to partner with local ministries in and around Santo Domingo and Santiago bring the Gospel and the love of Christ to places and people who are desperately seeking.

Our Santiago Leadership Team

Praise be to God! Through the pandemic we are connected with the national Pastors in Kingdom building Project in Santiago Dominican Republic. “University and Church Planting”

Our ministry team made up of various national Pastors with one heart to impact the next generation for Christ. Targeting the University and to plant International Church in Santiago. We have Five Pastoral leadership including our family. Pastor Alsenio, Keny, Misael, Esdras and our family. We are working to impact the Universities in Santiago and Church Plant in Santiago as God opens the door. We have a close family relationship with our pastors and family members. We regularly gather to pray for community and universities in Santiago. Come pray we us for God’s presence will be poured out in Dominican Republic and the all the churches around the world will see the Glory of God.

Building Projects in Dominican Republic

Through the Grace of God together we were able to help Schools, Churches building in the Dominican Republic. Assisting the build of the house of God was exciting and a blessing for us as well as the national Church Pastors. Where many around the community came to seek face face of God, and God being Glorified in and around the community is an awesome experience. We are committed to build His Kingdom and for fill His mission on earth. Praise be to God all mighty. Thank you for all your prayer that contributed to expanding the Kingdom of God.

Itineration and Prayer requests

In June 2022 our family came back to U.S for Itineration process. Where we need to raise our funds for the second term in the Dominican Republic. We are blessed bound measure of the favor of God that was upon us through the pandemic and out of the pandemic we lunched University ministry that is leading towards Church planting. In itineration we visit Churches and individuals in the U.S who have faithfully giving to expand God's Kingdom on earth and make new partnership so that we can return to the mission field as soon as possible. Keep us in your prayer.

01

Family

Please continue to pray for our families health as many are getting sick these pass couple of months. Please pray for our kids as they adjust to school in the U.S that the favor and wisdom will be upon them. Please pray for Hyun Ju my wife, that God will heal her completely recovering from Thyroid Cancer and from Cerebral aneurysm. And Itineration that God will open door.

02

Ministry

Pastor in the Dominican Republic is continuing the University ministries while we are in iteration. Pray that God will give them wisdom, favor and blessings as they reach the campus students. And the most important prayer is discipling the student leadership in Santiago Dominican Republic and reaching the communities for Christ.

03

Pray for revival and out during of the Holy Spirit

In times of uncertainty we are reminded that we need the power of the Holy Spirit to do what God has called us to do. Pray with us that the out pouring of the Holy Spirit may fall upon all who are seeking the face of God and in leadership. That the Churches will become stronger in difficult times, shining and reaching the community for Christ in the Santiago D.R

04

Pray for the universities in Santiago

We need your prayers in universities on Santiago D.R. The Universities is where the future of Dominican Republic lies. Where young people with minds that can be filled with the awesomeness of God's presence can be for filled. Changing the future is through education; but changing ones life for eternity is through the Holy Spirit and living with Jesus. ALL FOR JESUS! JESUS be the GLORY!
